HOW PAYMENT WORKS
Deposit on acceptance: 50% of fees plus all government fees. Balance when the work is complete. Card or bank transfer; a tax invoice is issued for every payment.

TIMELINE
About 12 UAE working days from the deposit and your documents, per service; each step has a due date you can follow online. Government processing times are outside our control.

WHAT IS INCLUDED
Scope management, pricing, a vetted delivery partner from the MKW Advisors Partner Network, quality checks on every step, and our service guarantee: a step more than five working days late earns you a credit of part of the fee.

ASSUMPTIONS AND EXCLUSIONS
Government fees are passed on at cost. Each is marked above with where its figure came from; only a VERIFIED fee was checked by MKW Advisors against the authority's published fee. If the authority charges a different amount, the actual fee is charged at cost. Services not listed, attestations abroad, translations, courier and bank charges are excluded unless listed. Statutory outcomes (approvals, visas, bank accounts) are decided by the authority or bank, not by us; we manage the process.

HOW TO ACCEPT
The account owner accepts online; the offer stays valid until 2026-11-02.
